## EDUCATION

Oct 2002 – May 2012

B Sc Computer Science  
*University of Crete* Greece

<http://www.csd.uoc.gr/en/>

Taught about computer architecture in depth.  
Learned the importance of team working and cooperating,  
how to think critically and “outside the box”, how to solve problems.  
Acquired strong programming skills and practice with various languages,  
from assembly and C to LISP and JavaScript.

[during 2006–2013 \( aside my studies \)](#)

Worked full-time as an independent trader in real-time sports-betting markets.
